

Prof. (m)	Symbol	DESCRIPTION	Avancement
0		Molt, low E, medium (medium), dark brown sand with coarse (small) rounded cobbles and some glass fragments (fill)	
1			
2		Lightly stiff, green clay with isolated pockets of altered, low-stained material	
3		Stiff, orange-brown clay	
4		Medium to hard and stiff, highly altered (iron-stained), black marl	
5		... moderately fissile and more altered between 2m and 3.1m	
6		Stiff, moderately altered and fissile, orange-brown clay with pockets of altered material, shell fragments and organic matter and some mineralization	
7		Stiff, calc. marl with rare fossils and small pockets of alteration (iron staining) and mineralization	
8		Very hard, dark green to black limestone with rare chert and occasional 1cm thick fissile marl layers (at 5.6m, 6.1m and 6.2m).	
9		... 3cm thick band of alteration (iron staining)	
10		Stiff, black marl	
11		Very hard, dark grey to black limestone with some 2cm thick marl layers and rare fossils	
12		Stiff, black marl with small chert	
13		Very hard, dark grey to black limestone with rare chert and occasional 1cm thick fissile marl layers	
14		Stiff, black marl with small chert	
15		Stiff, black marl with small chert	
16		Stiff, black marl with small chert	
17		Stiff, black marl with small chert	
18		Stiff, black marl with small chert	
19		Stiff, black marl with small chert	
20		Stiff, black marl with small chert	
21		Stiff, black marl with small chert	
22		Stiff, black marl with small chert	
23		Stiff, black marl with small chert	
24		Stiff, black marl with small chert	
25		Stiff, black marl with small chert	
26		Stiff, black marl with small chert	
27		Stiff, black marl with small chert	
28		Stiff, black marl with small chert	
29		Stiff, black marl with small chert	
30		Stiff, black marl with small chert	
31		Stiff, black marl with small chert	
32		Stiff, black marl with small chert	
33		Stiff, black marl with small chert	
34		Stiff, black marl with small chert	
35		Stiff, black marl with small chert	
36		Stiff, black marl with small chert	
37		Stiff, black marl with small chert	
38		Stiff, black marl with small chert	
39		Stiff, black marl with small chert	
40		Stiff, black marl with small chert	
41		Stiff, black marl with small chert	
42		Stiff, black marl with small chert	
43		Stiff, black marl with small chert	
44		Stiff, black marl with small chert	
45		Stiff, black marl with small chert	
46		Stiff, black marl with small chert	
47		Stiff, black marl with small chert	
48		Stiff, black marl with small chert	
49		Stiff, black marl with small chert	
50		Stiff, black marl with small chert	
51		Stiff, black marl with small chert	
52		Stiff, black marl with small chert	
53		Stiff, black marl with small chert	
54		Stiff, black marl with small chert	
55		Stiff, black marl with small chert	
56		Stiff, black marl with small chert	
57		Stiff, black marl with small chert	
58		Stiff, black marl with small chert	
59		Stiff, black marl with small chert	
60		Stiff, black marl with small chert	
61		Stiff, black marl with small chert	
62		Stiff, black marl with small chert	
63		Stiff, black marl with small chert	
64		Stiff, black marl with small chert	
65		Stiff, black marl with small chert	
66		Stiff, black marl with small chert	
67		Stiff, black marl with small chert	
68		Stiff, black marl with small chert	
69		Stiff, black marl with small chert	
70		Stiff, black marl with small chert	
71		Stiff, black marl with small chert	
72		Stiff, black marl with small chert	
73		Stiff, black marl with small chert	
74		Stiff, black marl with small chert	
75		Stiff, black marl with small chert	
76		Stiff, black marl with small chert	
77		Stiff, black marl with small chert	
78		Stiff, black marl with small chert	
79		Stiff, black marl with small chert	
80		Stiff, black marl with small chert	
81		Stiff, black marl with small chert	
82		Stiff, black marl with small chert	
83		Stiff, black marl with small chert	
84		Stiff, black marl with small chert	
85		Stiff, black marl with small chert	
86		Stiff, black marl with small chert	
87		Stiff, black marl with small chert	
88		Stiff, black marl with small chert	
89		Stiff, black marl with small chert	
90		Stiff, black marl with small chert	
91		Stiff, black marl with small chert	
92		Stiff, black marl with small chert	
93		Stiff, black marl with small chert	
94		Stiff, black marl with small chert	
95		Stiff, black marl with small chert	
96		Stiff, black marl with small chert	
97		Stiff, black marl with small chert	
98		Stiff, black marl with small chert	
99		Stiff, black marl with small chert	
100		Stiff, black marl with small chert
